Welcome!

Taipei City and New Taipei City, two interconnected core cities, showcase the blend of traditional culture and modern prosperity and convenience.

Taipei City has internationally renowned landmarks such as Taipei 101 and Elephant Mountain (Xiangshan), along with unique night market culture. In addition, it also has convenient modern transportation networks, making it one of the must-visit tourist attractions in Asia.

New Taipei City has magnificent natural scenery and retains traditional old street culture, while also providing a variety of outdoor activities.

We sincerely invite you to register for the World Masters Games 2025 Taipei & New Taipei City and experience the unique urban charm of the Two Cities.
